

A new way to trade art.

arttrade

The all-in-one art platform.

Creators want to earn a living from their art.

But it is hard for them to  **find funds**
 **be visible**
 **build a community**

So they **waste time** promoting their work and looking for recognition.

Collectors want to find gems.

But it is hard for them to  **find the good artists**

 **feel secure**

 **access datas**

So they **waste time** looking for the good informations and avoiding scams.

**Unlock the
future with
Artrade.**

Artrade is the all-in-one platform which connects the art market.

Artists have **all the levers** to promote, sell, and develop their work, while being paid **fairly**.

Collectors can buy **quality works** in a **secure** way, and become **patrons 3.0** for the artists.

Everything in on place.

**We believe in an open world where
all artworks, digital as well as
traditional, becomes nftized.**

**First huge
steps.**

Get paid the right price.

USD First policy

By setting prices in dollars, we safeguard our talented artists from the instability of cryptocurrency while still benefiting from the power of blockchain technology.

Multi-chain vision

Uniting the marketplace through precise tuning and amalgamating multiple blockchains, communities can come together and mutually reap the rewards!

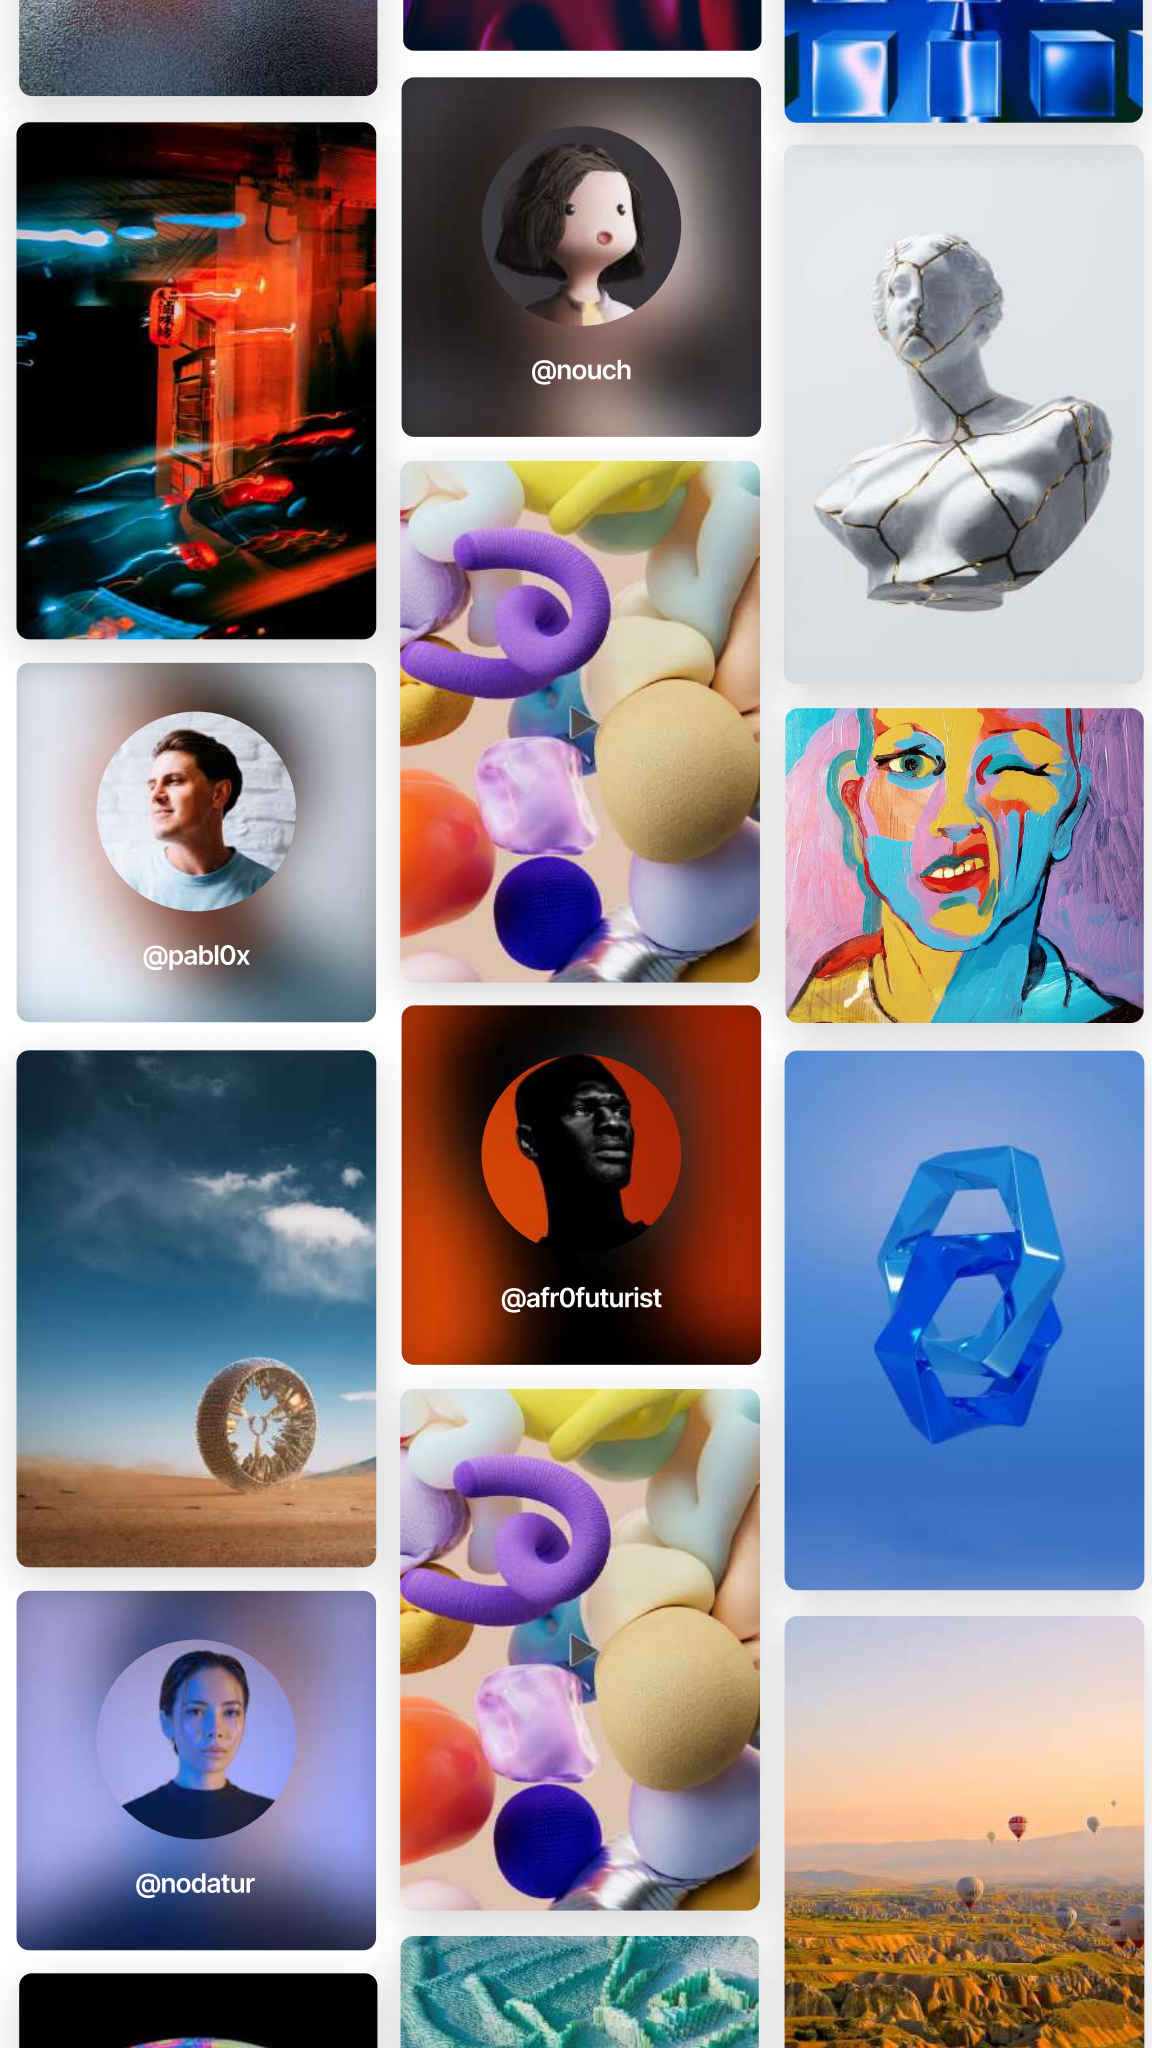

Be visible.

Content-first experience

By centering our experience around the work, we have the opportunity to showcase the artists and their true worth.

Highlight mode

Present your most recent, one-of-a-kind works of art and give them the recognition they deserve with a personalized page in your profile!

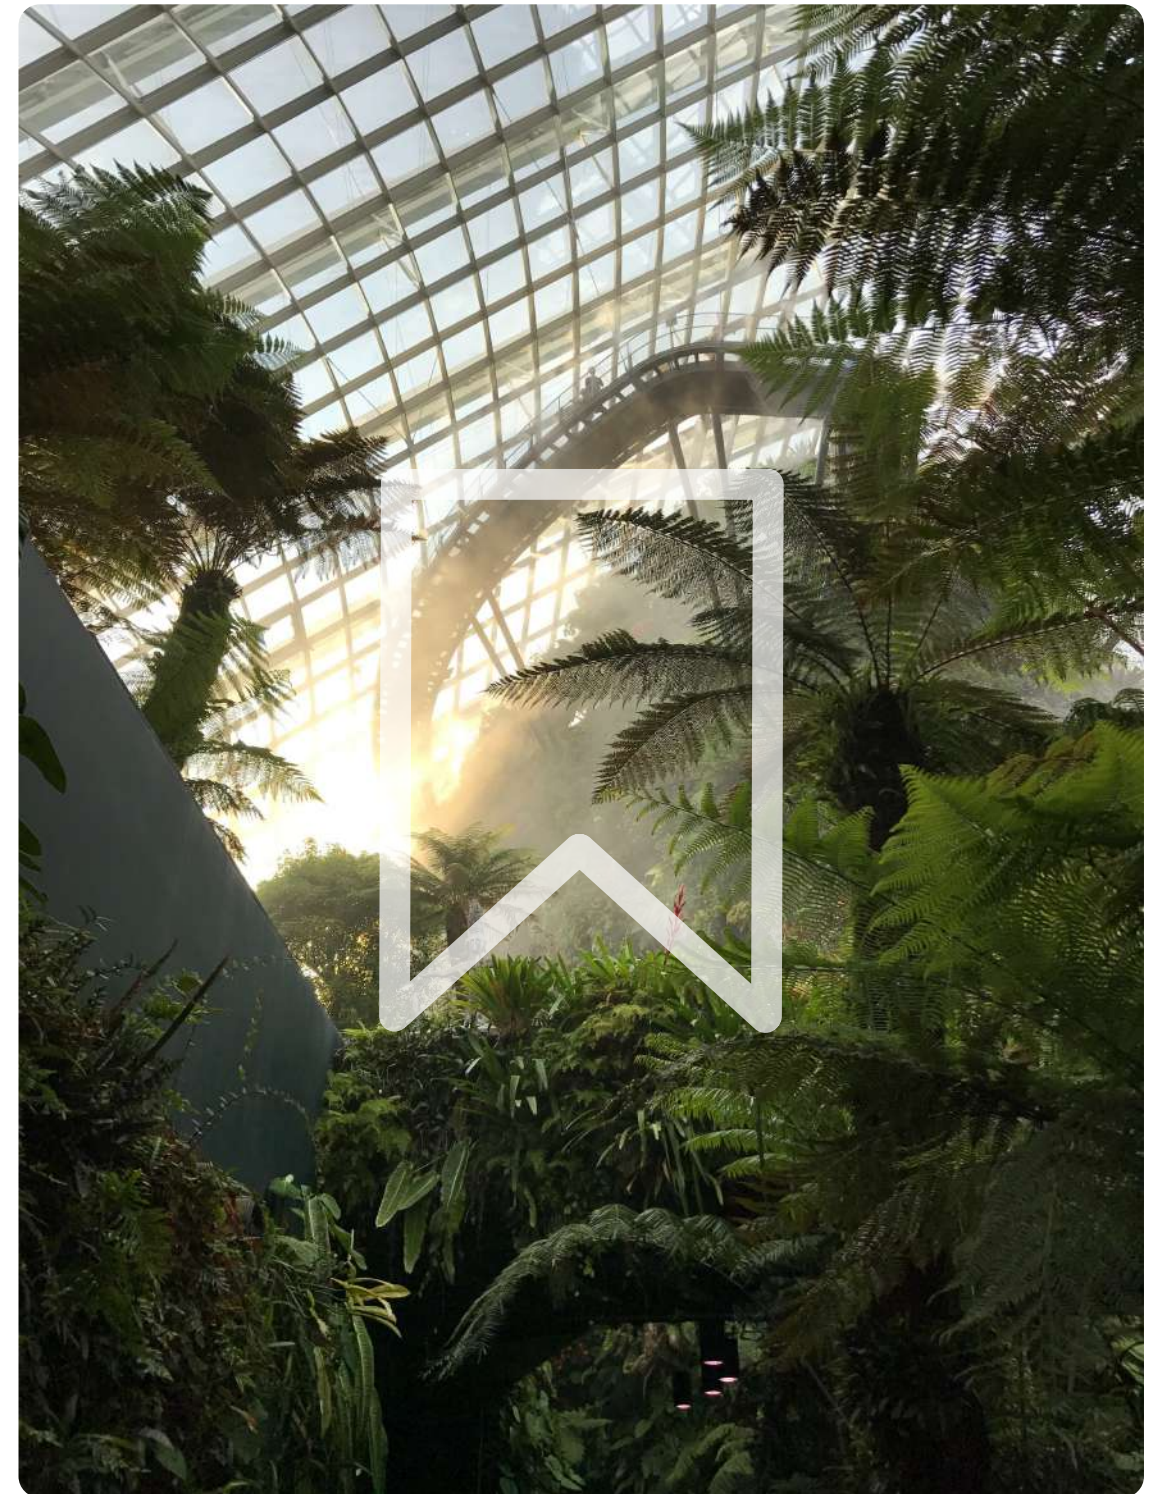

Get Inspired.

**Already in the
future.**

Get connected to people.

Social interactions

With direct messaging, mentions and polls, we will make it a breeze for people to stay connected!

A unique space

Within a devoted area, creatives will assemble their collective and express themselves freely.

An abstract painting featuring bold, expressive brushstrokes in blue, red, yellow, and green, intersected by a network of thin black lines. The composition is dynamic and layered.

Hey Nicolas, love the colors of your painting!
What are your inspirations?

Thanks! I love the work of @afrofuturist0
that inspired me a lot. 😊

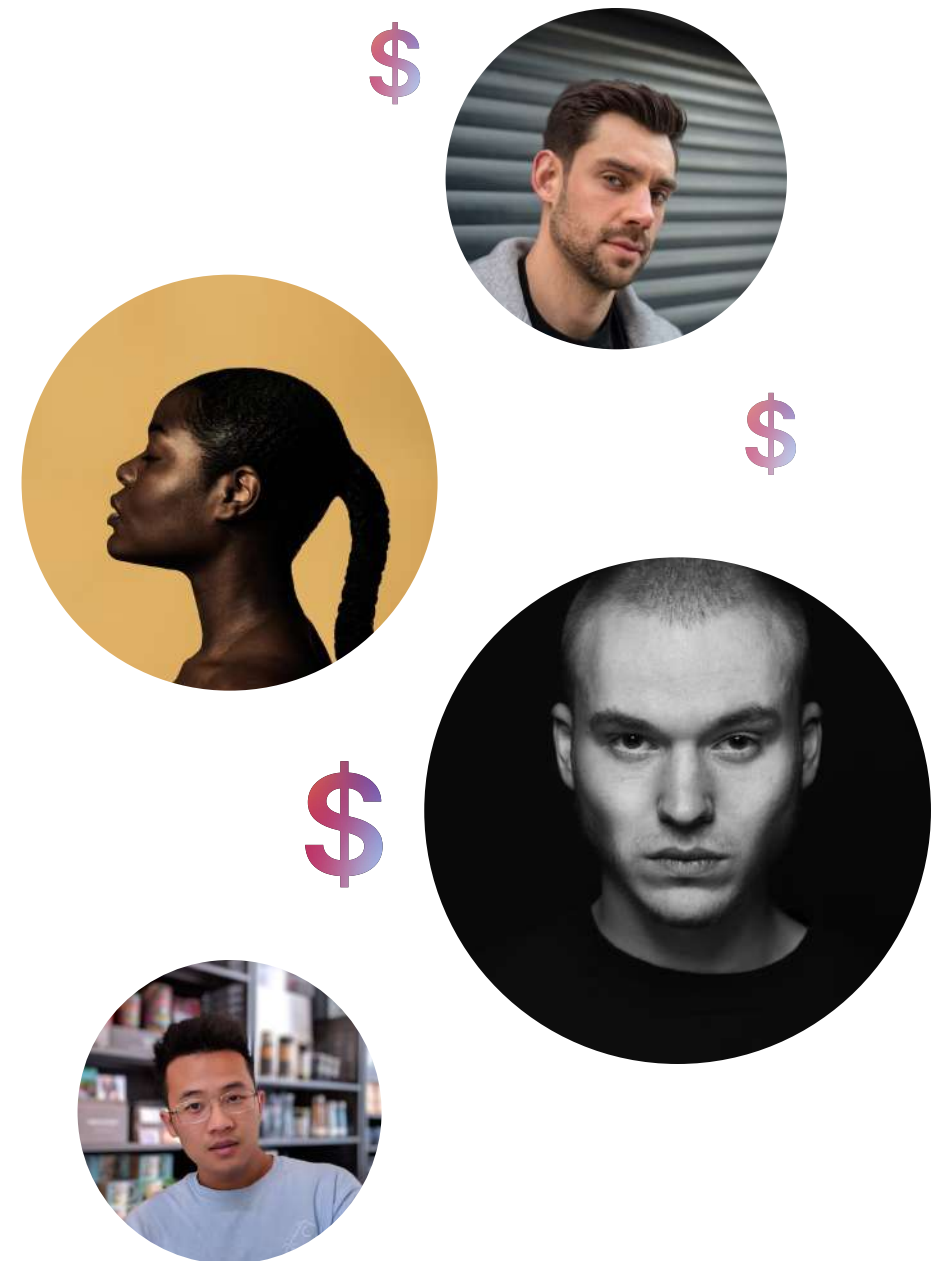

Engage your community.

Support-to-earn

With our native token, communities will be able to show their love and support to their favorite artists by investing in them and being rewarded with a share of the sales.

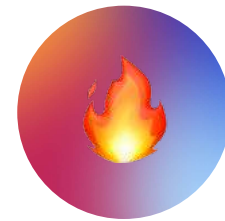

Gamification

Artists will have the opportunity to connect with their fans and increase their exposure by participating in missions.
